

F-Zone Event Management

Client Handover Guide / ക്ലൈന്റ് ഗൈഡ്

Prepared for: Platform owner / client

App name: F-Zone Event Management System

Date: May 2026

Support contact: (your developer phone / email here)

1. Welcome / സ്വാഗതം

Malayalam

F-Zone Event Management ഒരു ഓൺലൈൻ ഇവൻ്റ് & രജിസ്ട്രേഷൻ സിസ്റ്റം ആണ്. ഇതിലൂടെ നിങ്ങൾക്ക്:

- ഇവൻ്റുകൾ സൃഷ്ടിക്കാം
- ഇൻവെന്ററികളുടെ ഡാറ്റാ മാനേജ് ചെയ്യാം
- പബ്ലിക് രജിസ്ട്രേഷൻ & പേയ്മെൻ്റ് (Razorpay) സ്വീകരിക്കാം
- QR സ്കാൻ വഴി ഗേറ്റ് ചെക്ക്-ഇൻ നടത്താം
- പേയ്മെൻ്റ്, റീഫണ്ട്, ഓഡിറ്റ് ലോഗ് എന്നിവ കാണാം
- സ്റ്റാഫ് അക്കൗണ്ടുകൾ & permissions നിയന്ത്രിക്കാം

ഈ PDF-ൽ എല്ലാ സ്ക്രീൻഷോട്ടുകളും ചിത്രങ്ങളോടെ Malayalam + English രൂപത്തിൽ നൽകിയിട്ടുണ്ട്.

English

F-Zone Event Management is an **online event and registration platform**. With it you can:

- Create and manage events
- Maintain your investor (participant) database
- Accept public registrations and Razorpay payments
- Scan QR codes at the gate for check-in
- View payments, issue refunds, and review audit logs
- Manage staff accounts with role-based permissions

This guide explains every step in **Malayalam and English**, with screenshots.

2. Your Live Links / നിങ്ങളുടെ ലൈവ് ലിങ്കുകൾ

Item	URL
Staff app (main login)	https://fzone-event-managment-system.vercel.app/login
Staff dashboard	https://fzone-event-managment-system.vercel.app/
Backend API (info only)	https://fzone-api.onrender.com
Health check	https://fzone-api.onrender.com/health

Malayalam — പ്രധാന കാര്യങ്ങൾ

- സ്റ്റാഫ് മാത്രം /login വഴി ലോഗിൻ ചെയ്യണം.
- പബ്ലിക് ഇവൻ്റ് ലിങ്ക് ഫോർമാറ്റ്: `https://fzone-event-managment-system.vercel.app/event/{event-id}`
- ഇൻവെന്ററി പോർട്ടൽ: `https://fzone-event-managment-system.vercel.app/portal/{event-id}`
- Render free plan-ൽ 15 മിനിറ്റ് idle ആയാൽ server **30-60 സെക്കൻഡ്** wake up ചെയ്യും — ആദ്യ login-ൽ കാത്തിരിക്കേണ്ടി വരാം.

English — Important notes

1. Only **staff** use `/login` .
2. **Public event registration** link format: `https://fzone-event-managment-system.vercel.app/event/{event-id}`
3. **Investor portal**: `https://fzone-event-managment-system.vercel.app/portal/{event-id}`
4. On Render free tier, after 15 minutes idle the server may take **30–60 seconds** to wake up on first request.

3. First Login (Super Admin) / ആദ്യ ലോഗിൻ

Malayalam

1. ബ്രൗസർ തുറന്ന് <https://fzone-event-managment-system.vercel.app/login> എന്ന adres-ൽ പോകുക.
2. **Super Admin email**: `fzone@gmail.com`
3. **Password**: ഡെവലപ്പർ secure channel (WhatsApp / phone) വഴി നൽകിയ password ഉപയോഗിക്കുക — **ഈ PDF-ൽ password ഇല്ല.**
4. **Sign in** ക്ലിക്ക് ചെയ്യുക.
5. വിജയകരമായി login ആയാൽ **Overview** dashboard കാണും.

നിങ്ങൾ കാണുന്നത്: KPI cards (Registrations, Revenue, Database), Running Events, Staff Tools.

⚠ *Password ഒരിക്കലും staff-ന് share ചെയ്യരുത്. ഓരോ staff-നും വെച്ചേറെ account ഉണ്ടാക്കുക.*

English

1. Open <https://fzone-event-managment-system.vercel.app/login> in your browser.
2. **Super Admin email**: `fzone@gmail.com`
3. **Password**: Use the password shared securely by your developer — **not included in this PDF.**
4. Click **Sign in**.
5. You will land on the **Overview** dashboard.

What you will see: KPI cards, Running Events panel, and Staff Tools shortcuts.

⚠ *Never share the super admin password with staff. Create separate accounts for each person.*

4. Dashboard Overview / ഡാഷ്ബോർഡ്

Malayalam

Overview (/) ൽ നിങ്ങൾക്ക് മുഴു platform-ന്റെ snapshot കാണാം:

Card	അർത്ഥം
Total Registrations	എല്ലാ ഇവന്റ് രജിസ്ട്രേഷനുകൾ
Entry Passes Issued	Issue ചെയ്ത passes
Verified Check-ins	QR scan ചെയ്തവർ
Pending Entry	ഇനി scan ചെയ്യാത്തവർ
Total Revenue	Razorpay payments
Participant Database	CRM investor count

Running Events — Upcoming / Live / Past tabs.

Staff Tools — quick links to all admin pages.

Recent Registrations — latest bookings preview.

English

The Overview page shows your platform at a glance:

Card	Meaning
Total Registrations	All event registrations
Entry Passes Issued	Passes generated
Verified Check-ins	QR scans completed
Pending Entry	Not yet scanned
Total Revenue	Successful Razorpay payments
Participant Database	Investor records in CRM

Use **Running Events** tabs and **Staff Tools** for navigation.

5. Staff Accounts & Permissions / സ്റ്റാഫ് അക്കൗണ്ടുകൾ

Super Admin only (`fzone@gmail.com`)

Malayalam

1. **Settings** → **Staff accounts** section.
2. **Add staff member**: Email, Password (min 8 chars), Role തിരഞ്ഞെടുക്കുക.
3. **Admin** role → account **Pending** ആയി തുടങ്ങും — login ചെയ്യാൻ activate ചെയ്യണം.
4. Pending row-ൽ **Activate** → permission checklist → **Activate**.
5. Active admin-ന് **Permissions** edit / **Disable** ചെയ്യാം.

Roles:

Role	ഉപയോഗം
Super Admin	Full access + staff management
Admin	Permission-based access
Scanner	Gate QR & attendance only
Finance	Payments & refunds only

English

1. Go to **Settings** → **Staff accounts**.
2. **Add staff member** with email, password, and role.
3. **Admin** accounts start as **Pending** until you activate them with permissions.
4. Click **Activate** on pending rows, select permissions, confirm.
5. Use **Permissions** to edit access or **Disable** to block login.

6. Create & Manage Events / ഇവൻ്റ് സൃഷ്ടിക്കൽ

Malayalam

1. Staff Tools → **Create Event** (/event).
2. Sections പൂരിപ്പിക്കുക:
 - **Basics** — name, description
 - **Schedule** — date & time
 - **Registration window** — open/close times
 - **Pricing & guests** — free/paid, guest limit
 - **Entry ticket design** — ticket look
 - **Location** — venue
3. **Publish Event** ക്ലിക്ക് ചെയ്യുക.
4. Right panel **Your Events** → **Copy link** = public registration URL.
5. **Close registration** = new bookings stop.
6. **Edit** / **Delete** event actions available.

Public link example:

`https://fzone-event-managment-system.vercel.app/event/EVENT_ID_HERE`

English

1. Open **Create Event** from Staff Tools.
2. Fill all Event Studio sections and click **Publish Event**.
3. From **Your Events**, use **Copy link** for the public registration URL.
4. Use **Close registration** to stop new bookings.

The screenshot shows the 'F-Zone' Event Studio interface. The main heading is 'Create & Manage Events'. Below it, the 'Event name' field is filled with 'Annual Investor Meet 2026'. The 'Schedule' field is filled with '15 June 2026 · 10:00 AM'. The 'Pricing' field is filled with 'Paid · ₹500 per investor'. At the bottom, there are two buttons: 'Publish Event' (highlighted in green) and 'Copy public link'.

7. Public Registration / പബ്ലിക് രജിസ്ട്രേഷൻ

Malayalam

Investor/public user event link-ൽ പോകുമ്പോൾ:

1. **Mobile Number** enter ചെയ്യുക (database-ൽ ഉള്ള number മാത്രം).
2. Investor verify ആയാൽ **Digital Entry Pass** preview.
3. Guests allowed ആണെങ്കിൽ guest name + gender add ചെയ്യുക.
4. Paid event ആണെങ്കിൽ **Razorpay Pay** → payment complete.
5. **Confirm Booking** → registration complete.
6. **Register & Enter Meeting Portal** → portal access.

Blocked / refunded investors-ന് warning banner കാണും.

English

When an investor opens the public event link:

1. Enter **mobile number** (must exist in your database).
2. After verification, see the digital entry pass preview.
3. Add guests if allowed.
4. Pay via Razorpay if the event is paid.
5. Confirm booking to finish registration.

8. Investor Portal / ഇൻവെസ്റ്റർ പോർട്ടൽ

Malayalam

URL: <https://fzone-event-managment-system.vercel.app/portal/{event-id}>

1. Mobile number enter ചെയ്യുക.
2. **Load passes** → entry passes, payment status, check-in status കാണാം.
3. Notification links-ൽ ഈ portal deep-link ഉപയോഗിക്കാം.

English

URL: <https://fzone-event-managment-system.vercel.app/portal/{event-id}>

Investors enter their mobile number and **Load passes** to view their entry passes and status.

9. Investor Database / User Management

Malayalam

User Management (`/user-management`):

- Columns: No, Code_No, Name, Phone_No, Gender
- **Edit** inline, **Delete**, bulk delete
- **Export All** / **Export Selected** Excel
- Gender stats chips (Total, Male, Female, Other)

Phone number public registration-ൽ verify ചെയ്യാൻ database-ൽ record ഉണ്ടായിരിക്കണം.

English

Manage all investor records in **User Management**. Export to Excel, edit inline, or delete records. Investors must exist in the database before they can register for events.

The screenshot displays the 'User Management' section of the F-Zone application. It features a dark-themed interface with a header bar containing the 'F-Zone' logo. Below the header, the title 'User Management' is prominently displayed, followed by the subtitle 'Participant Database'. Two buttons, 'Export All' and 'Data Studio', are located above a table. The table has five columns: 'No', 'Code', 'Name', 'Phone', and 'Gender'. It contains two rows of sample data. At the bottom right of the interface, a small text label reads 'F-Zone Guide Screenshot - Sample data'.

No	Code	Name	Phone	Gender
1	INV001	Sample Investor	98*****210	Male
2	INV002	Sample Investor 2	98*****211	Female

10. Investor Data Studio / Import

Malayalam

Investor Data Studio (`/user-management/data-studio`):

1. Schema review — required columns: `No` , `Code_No` , `Name` , `Phone_No` , `Gender`
2. **Download template** (.xlsx)
3. Excel fill ചെയ്ത് **Import spreadsheet**
4. Wizard: Upload → Headers → Preview → Validation → Confirm

5. **Recent imports** table-ൽ status & errors

⚠️ Import ചെയ്യുന്നതിന് മുമ്പ് backup/export എടുക്കുക.

English

Use **Investor Data Studio** to bulk import investors from Excel. Download the template, fill it, upload, validate, then confirm import.

11. Registrations & Attendance / രജിസ്ട്രേഷൻ & ഹാജർ

Malayalam

Page	Route	Use
All Registrations	/allregistrations	All bookings filter/search
Running Event	/runningevent/{id}	Per-event dashboard
Attendance Logs	/attendance-logs	Event list → attendance
Event Attendance	/event-attendance/{id}	Block/unblock, export CSV

Block investor/guest: attendance workspace → select row → block (optional reason).

English

View all registrations, drill into per-event attendance, block participants, and export CSV reports.

F-Zone

All Registrations

Event	Investor	Guests	Payment	Check-in
Investor Meet	Sample A	2	Paid	✓

F-Zone Guide Screenshot

12. Gate Check-in (Scanner) / ഭേദിക് സ്കാൻ

Malayalam

Gate Scanner App (/gate-scanner):

1. **Gate** select ചെയ്യുക (Settings-ൽ configure ചെയ്ത gate names).
2. Camera QR scan.
3. Success/fail result — duplicate scan prevented.

Scanner role staff-ന് മാത്രം scanner pages access.

English

Select a gate, scan the QR code on the entry pass, and confirm check-in. Duplicate scans are blocked automatically.

13. Payments & Refunds / പേയ്മെന്റ്

Malayalam

Payments & Revenue (/payments):

1. Ledger with filters (event, status, date, search)
2. **View details** — amount, Razorpay refs, refund history
3. **Issue refund** on eligible payments
4. **Export** CSV

Finance Reconciliation (/finance/reconciliation) — finance team-ന് mismatch review.

Finance role staff-ന് payments access.

English

View the payment ledger, issue refunds, export data, and use Finance Reconciliation for detailed review.

14. Settings / സെറ്റിംഗ്സ്

Malayalam

Settings (/settings):

Section	Description
Appearance	Light / Dark theme
Staff accounts	Super admin only
Refund access policy	When refunded users lose access
Waitlist	Enable when event full
Notifications	SMTP email, Twilio SMS (optional)
Gate names	Scanner gate dropdown
Platform tools	Audit log, Webhooks, Reconciliation shortcuts

Save platform settings button — changes save to database.

English

Configure theme, gates, refund policy, notifications, and platform behaviour from Settings.

15. Audit Log / ഓഡിറ്റ് ലോഗ്

Malayalam

Audit Log (/platform/audit-log):

- Who did what, when (admin email, role, action)
- Investor edit/delete, refunds, staff changes, settings
- Filters, analytics, CSV export

Investor update/delete-ൽ **actor email** record ആകും.

English

Track all important admin actions. Filter by category, view details, and export for compliance.

16. Notifications / അറിയിപ്പുകൾ

Malayalam

1. Header **bell icon** → recent alerts.
2. **Notification center** (/notifications) → full inbox.
3. Overview-ൽ **Recent Alerts** widget.
4. Email/SMS Settings-ൽ configure ചെയ്താൽ external notifications.

English

Use the header bell and Notification center for real-time platform alerts.

17. FAQ / പതിവ് ചോദ്യങ്ങൾ

Malayalam

Problem	Solution
Login slow first time	Render cold start — 30–60 sec wait, refresh
"Account pending approval"	Super admin Settings → Activate admin
"Account disabled"	Super admin re-enable or create new account
"Insufficient permissions"	Super admin → Edit Permissions
Registration: phone not found	Add investor in User Management or Data Studio import
Payment failed	Check Razorpay keys on Render/Vercel

Preview URL blocked	Add exact Vercel URL to Render CORS_ORIGINS
---------------------	---

English

Problem	Solution
Slow first login	Wait for Render cold start, then retry
Pending approval	Super admin must activate the account
Disabled account	Contact super admin
Permission denied	Super admin assigns correct permissions
Phone not found	Add investor to database first
Payment issues	Verify Razorpay configuration
CORS errors	Update CORS_ORIGINS on Render

18. Security Checklist / സുരക്ഷ

Malayalam

- ☐ Super admin password rotate ചെയ്ത് secure channel-ൽ മാത്രം share
- ☐ Staff-ന് individual accounts — shared password avoid
- ☐ Scanner/Finance roles — minimum access only
- ☐ Audit log monthly review
- ☐ Investor export backup before bulk import
- ☐ Razorpay webhook secret Render-ൽ set ആണെന്ന് verify

English

- ☐ Rotate super admin password; share only via secure channel
- ☐ One account per staff member
- ☐ Use Scanner/Finance roles where possible
- ☐ Review audit log regularly
- ☐ Backup before bulk imports
- ☐ Confirm Razorpay webhook is configured

19. Appendix — Permission Keys / Permission പട്ടിക

Key	Malayalam	English
events:read	Events & dashboard കാണൽ	View events & dashboard
events:write	Event create/edit/delete	Create, edit & delete events
investors:read	Investors കാണൽ	View investors
investors:write	Investor edit/delete	Edit & delete investors
investors:import	Data Studio import	Investor Data Studio import
registrations:read	Registrations & attendance	View registrations & attendance
registrations:write	Block, close registration	Block guests & close registration
payments:read	Payment ledger	View payment ledger
payments:refund	Refunds	Issue refunds
settings:write	Platform settings	Edit platform settings
audit:read	Audit log	View audit log

Scanner & Finance roles use fixed role-based access — permission checklist applies to **Admin** role only.

Quick Start Summary / ക്വിക്ക് സ്റ്റാർട്ട്

Malayalam (5 steps)

1. Login: <https://fzone-event-managment-system.vercel.app/login> (`fzone@gmail.com`)
2. Settings → Staff → team accounts create & activate
3. User Management / Data Studio → investors add
4. Create Event → Copy public link → share
5. Event day → Gate Scanner → QR check-in

English (5 steps)

1. Login as super admin
2. Create and activate staff accounts
3. Load investor database
4. Create event and share public link
5. Scan QR codes on event day
